Becoming a Shell Energy customer

Once you've completed the registration form, we'll send you an email that contains your details, information about what happens next and your online account details. Through your online account you will be able to track the progress of your registration right up to the day your supply switches over to us. During this time we'll email you if we need any further details and, just before we switch you to Shell Energy, we'll ask for a meter reading, so keep an eye on your mailbox!

Help and advice, whenever you need it

Our help and advice section is filled with clear, straightforward information about your new account, from reading different types of meters to understanding your bill and managing your Shell Energy account online.

What is a kWh?

A kWh stands for kilowatt-hour - the unit used to measure energy. One kWh will power a 40 watt light bulb for 25 hours.

Principal terms and conditions

These are the Terms and Conditions specific to your tariff and a summary of the key Terms and Conditions applicable to all tariffs. The full Terms and Conditions for all tariffs are available at [shellenergy.co.uk](https://www.shellenergy.co.uk).

Cancellation Rights

You can cancel your contract within 14 days of the date you entered into it, by using the cancellation form on our website or by emailing cancelmyregistration@shellenergy.co.uk, phoning **0330 094 5800** or writing to Customer Services, Shell Energy, PO Box 6363, Coventry, CV3 9LR with your customer number and a clear statement of your decision to cancel.

Credit Checking

We may use your information to carry out a credit check. In certain circumstances we may require a security deposit as a condition of supplying you, if so we may contact you to offer an alternative payment method or service, which may remove the need for a security deposit.

Switching over from your current supplier

If you have applied for a dual fuel tariff and your current supplier subsequently objects to the transfer of one fuel and this cannot be resolved, we may choose to supply you with the other fuel only.

Changes to the Terms and Conditions

Where we make any variations to the Terms and Conditions which are to your disadvantage we will notify you at least 30 calendar days in advance of the change taking place.

If the change to the Terms and Conditions is to your disadvantage you may terminate the Contract without the changes taking effect provided that: (a) the variation to the Contract is not due to misleading information you have provided to us regarding your status; and (b) we hear from your new supplier within 20 working days of the changes taking effect and the switch takes place within a reasonable period of time.

Billing

You will receive a bill every three months or more frequently if we notify you otherwise. Payments will be collected by:

- 'Monthly Direct Debit' - Shell Energy will deduct a set amount from your account each month, this amount may vary after any reassessment if your payments aren't in line with your actual or projected energy usage. Any change will be communicated to you prior to taking effect;
- 'Variable Direct Debit' - Shell Energy will deduct from your account the full amount shown on your electricity and gas bill; or
- 'Pay on Receipt of Bill' - you will need to pay the full amount shown on your electricity and gas bill by cash, cheque, card or online payment.

You may choose to receive your bills in paper or electronic form (including accessing your bills online). To change your billing preferences please log in to your online account or telephone us on **0330 094 5800**.

Possible additional charges & discounts

Where you do not pay us by Direct Debit we will make an administration charge. All bills will be electronic and accessible via your online account.

Leaving Shell Energy

You can leave at any time but you will be required to pay any outstanding debt before doing so. If there is a debt outstanding on your account we may object to your transfer. You can resolve this by repaying us the debt within 30 days of us advising you of this requirement.

Bundles

There are currently no bundled products available with this tariff.

Rewards

Once you have passed the supply start date, registered with Shell Go+ and linked Shell Go+ to your Shell Energy account you will be eligible to receive 3% off the cost of Shell fuel (VPower, main grade petrol and diesel and LPG) up to a maximum of 60 litres per month, at participating UK Shell service stations. Only one Shell Energy fuel saving is available per household, even if you are both an energy and a broadband customer. Your allowance will be refreshed on the 1st of each calendar month and if not used in that calendar month

Principal terms and conditions

will be lost and cannot be rolled over to another month.

They will do their best to resolve your complaint, but if you feel your complaint has not been handled to your satisfaction, you may then speak to our Customer Contact Specialist Team.

If you remain unhappy with our resolution of your complaint, or if your complaint has not been resolved within 8 weeks of the date you told us about it, you may refer the matter to the Ombudsman Services: Energy on **0330 440 1624** or at ombudsman-services.org/sectors/energy. They are free and independent, and we are bound by their decision.

Shell Energy Fuel Mix Disclosure Label

Our current fuel mix

All our electricity now comes from renewable sources such as wind, solar and biomass. This is certified by Renewable Energy Guarantees of Origin (REGOs), which guarantees that for every unit of electricity you use, a unit of renewable electricity is put into the grid by renewable generators in the UK.

The table below shows this for the period 01/04/2019 - 31/03/2020.

Energy source	Our fuel mix %	UK fuel mix %
Coal	0	3.9
Natural gas	0	39.4
Nuclear	0	16.6
Renewables	100	37.9
Other	0	2.2

Shell Energy Retail Limited total emissions are 0 (g/kWh). Nuclear waste is 0 (g/kWh).
